*Dear Michelle:*

*I have the pleasure of writing to thank you for the Association's gift to our affiliate through its donation to Habitat for Humanity-South Dakota. We were pleased to be included and very much appreciate the gift of \$205..*

*The funds were directed to the cost of our current construction projects—7 builds, an ambitious program in our community.*

*The Habitat ministry works because of the belief and support we receive in this community and the area. There are so many important and worthy causes that impact the quality of life in our community. . We are so grateful for your belief in the importance of nurturing family values through affordable housing.*

*Thank you again for this gift and the thoughtfulness behind it. We are blessed to have received it and appreciate all that realtors, individually and through their associations, do to support Habitat. I hope you will pass on our thanks and appreciation!*

*Sincerely,*
