

GRATITUDE COIN

Paying it Forward

The Gratitude Coins purpose is for an individual to recognize REALTOR® members who give their personal time, talents and commitment to helping their local community be successful over and above the real estate transaction.

It will mean different things to different people as it is subjective to the individual who is willing to nominate the REALTOR® for consideration. Examples include, but are not limited to, participating in food drives, mentoring youth, volunteering at soup kitchens, purchasing coats or backpacks, etc. REALTOR® members will be recognized throughout the coming year with the REALTOR® Gratitude Coin.

Nominations should be submitted to the Local President and/or Local Association Executive. The state association office will distribute the gratitude coins to local staff for presentation and recognition.
